All classes/height groups will be one walk followed by **5 min to 1st dog on the line.**

CHECK-IN and MEASURING

We are scheduled to have a VMO at this trial on **SAT and SUN Only**. All dogs needing to be measured on Friday will need to be measured by the judge of record. Please allow yourself sufficient time to be measured before your 1st run. Measurements will take place when the VMO or judge is available. We will not be using Armband labels at these trials. However, you will need to know your Armband number in order to do an At Trial move-up. Please bring a printed or an electronic copy of your trial confirmation so you will have your armband number with you.

MOVE-UPS

Move-ups must be received by the Trial Secretary in writing (E-mail preferred) prior to 6pm on Monday, Sept 9, 2024. Be sure that I have acknowledged receipt of your move-up. Please preface all correspondence with "BCA-SEPT" in the Subject line. Make sure you know your armband number in order to do an At-Trial move-up. At-trial move-ups must be turned into the trial secretary no later than 15 minutes after the final class. The At-trial move-up binder will be by the ribbon table.

EMAILS ARE NOT ACCEPTED FOR AT-TRIAL MOVE-UPS.

You **MUST** fill out at a move-up at the trial to do an at-trial move-up – no exceptions.

SITE INFORMATION & RULES

- The show site is climate controlled indoors on turf flooring. All turf accidents must be reported immediately and \$5 clean up fee paid.
- Respect the traffic cones when parking – they are marking the turning radius for truck traffic. Our neighbors may use cones to block more areas than indicated on this map – please respect them!
- Do not park in front of any gate or doorway. Do not park in the Southern Air lot (directly across Barricade Ln from LUDS) on FRIDAY. We are allowed to park there only on SAT/SUN.
- **Parking in the alleyway on the Exit door side is for Trial Officials only.** Anyone parking in this area without permission will be asked to move.
- NO RV Parking Onsite without permission
- Dogs must be kept on leash when not in the ring.
- Do not potty your dogs on the neighboring tenants' lawns.
If you are caught, you will be asked to leave for the weekend and forfeit your runs.
- **Crating:** Priority will be given to club members and volunteers. If there is additional space, it will first come first served. Crates are allowed only on the tarps provided. Please make sure your chairs have caps that will not dig into the flooring. Please conserve space. Please fold personal chairs when not in use and do not block aisles. If possible, remove your crates when you are done running/volunteering so exhibitors later in the day have somewhere to crate. The trial committee may consolidate set-ups in the crating area in order to fit more volunteers.
- For a safer trial environment, soft and hard crates must be zipped completely for example without holes for dogs to stick their heads out. X-pens must have a secure top and bottom.

BCA September Additional Trial Info

- If you plan on crating from your vehicle, please park so your exhaust does not go into another vehicle.
- **One way entry/exit** as follows: Enter the building on the parking lot side and exit on the other side where the street goes between the buildings.
- We will be lining up the next five dog & handler teams to run. Please respect each team's space in the queue. Exhibitors are responsible for arriving on time for their walk-thrus and runs. The practice jump is inside on the turf.
- **Volunteers.** Sign up to work at the trial. Workers will have access to a light lunch, snacks, and water.
- **Gate sheets** - We will be using the Agility Gate app for an electronic gate.

Exhibitors are responsible for arriving on time for their walk-thrus and runs.

This allows exhibitors to check in for their runs through the app and to follow along by looking at the gate sheets as dogs are crossed off when they run. To use the Agility Gate app, please download it from the Apple App Store or the Google Play Store. There is a display TV with the running order by the entrance door. There will also be a preliminary running order on our website prior to the trial.

Agility Gate Code: 8653

- **Course maps** will be posted on the Agility Gate app the day of the trial. Course maps will also be posted on the wall outside the ring. There will not be paper course maps.
- As per AKC guidelines... "Exhibitors may choose to place leashes in their pockets or wear them (around waist, crossbody, etc.) during their runs. If the dog grabs the leash the run will be scored as an "E". If the leash falls out of the handler's pocket, or off of their body, there is no call unless the dog grabs the leash".
